## INCREASE TO 4 DAYS OF INSTRUCTION STARTING 4/26/21 for 2020-2021 Hybrid!

### Hybrid Students:

The main goal of our current phase of school re-opening is to ensure that we can provide a safe learning environment for all students. Currently, due to changes in the CDC guidance, your child will attend school for IN-PERSON instruction **4 Days a week** while maintaining a safe distance between students while in the classroom. Therefore, starting on **4/26/21** your child will attend school Monday, Tuesday, Thursday and Friday in the school building. Wednesday will continue to be a remote learning day.

### ARRIVAL AND DISMISSAL times/locations will remain the same:

- Grades 4 & 5 - 8:30 am - 12:30 pm
- Grades 2 & 3 - 8:45 am - 12:45 pm
- Grades K & 1 - 9:00 am - 1:00 pm

### Remote Students:

This is the last phase for remote students to change to in person. Please email or call to let us know if you are planning on changing your student to In Person Starting April 26th. **You must notify us by April 12th.** If you choose to stay remote, they will be remote the remainder of the school year.

Once we begin the 4 day instruction period, your child must attend IN PERSON on Monday, Tuesday, Thursday and Friday or will be marked absent (unless quarantined by the school nurse). Your child cannot fluctuate between in-person and remote learning. Remote learning will continue on WEDNESDAYS with the same rules applying- cameras must be on for students to be marked present.

If you are having technical difficulties a HELP ticket must be opened on the Garfield School District Website.

*As a school community we ask that to make this reopening a success every family does their part:*

- DO NOT SEND A SICK CHILD TO SCHOOL. CALL the nurse if you want to double check!!
- Limit non-essential gatherings and travel- remain with your "bubble" of family and friends.
- If you travel outside of the tri-state area you must notify the school.
- Communicate with the school regarding any time your child or yourself has been in contact with someone that has tested positive or is possibly positive.
- As always when outside of the building please maintain 6 feet of distance and always wear a mask.
- Your child's temperature will be taken upon entrance into the building.

Sincerely,

*Charles F. Bonanno*
